Subject: Immediate Resignation - Lack of Integrity and Honesty.

Dear Board of Directors,

I hope this letter finds you well. It is with a heavy heart and deep disappointment that I tender my immediate resignation from my position as Vice President at San Gabriel Chamber of Commerce. The decision to resign without seeking board approval is a direct reflection of my profound concern regarding the lack of integrity and honesty displayed within the organization.

Throughout my tenure, I have witnessed a decline in the adherence to ethical standards and transparency, which are pillars upon which trust and credibility are built. It is disheartening to experience a disconnect between the values I hold dear and the actions demonstrated by certain individuals within the organization.

As an employer, I strongly believe in upholding the highest standards of integrity and honesty in all aspects of my professional life. However, recent events have made it clear that these values are not universally shared or practiced within the organization. The misalignment between my personal principles and the prevailing culture has left me with no choice but to resign immediately.

I take great pride in the work I have accomplished during my time at the San Gabriel Chamber of Commerce, and I am grateful for the opportunities I have been given to contribute to the growth and success of the organization. However, I cannot continue to be part of an environment that compromises the very principles that I hold dear and believe to be essential for the organization's long-term success.

I understand that this resignation is unorthodox in terms of board approval; however, the gravity of the situation demands immediate action. It is my hope that my departure will serve as a catalyst for self-reflection and a reevaluation of the values that the organization holds dear. I trust that my concerns will be taken seriously and that steps will be taken to restore a culture of integrity and honesty within the San Gabriel Chamber of Commerce.

I kindly request that this resignation letter be treated as confidential, as I do not wish for the details of my disappointment to have a negative impact on the morale or reputation of the organization. I trust in the discretion and professionalism of the management team to handle this matter appropriately.

I would like to take this opportunity to express my gratitude to the colleagues and team members who have supported me throughout my journey at the San Gabriel Chamber of Commerce. I appreciate the friendships, knowledge, and growth opportunities that I have gained during my time here.

While I may be departing under these circumstances, I genuinely wish the organization success in its future endeavors. It is my hope that the concerns raised will be addressed and that the San Gabriel Chamber of Commerce can reclaim its reputation as an ethical and trustworthy entity.

As the main representative for El Pavo Bakeries, I am also informing all involved, that El Pavo Bakeries will no longer be catering any event for the San Gabriel Chamber of Commerce.

Please consider this letter as my formal notice of resignation, effective immediately. I kindly request that the necessary paperwork and exit procedures be processed promptly.

Thank you for your understanding and support during this difficult time.

Yours sincerely,

Carina Rivera
