HOW PASADENA HUMANE IS SUPPORTING THE COMMUNITY:

Pasadena Humane serves as a critical lifeline for pets impacted by the Eaton Fire. We are committed to providing care and resources to support our community during this unprecedented emergency:

Emergency Response: We have emergency responders on the ground providing lifesaving assistance, including animal evacuation, care for injured animals, and resources such as food and supplies for animals who remain in the fire zone.

Evacuation Center:

- **Small animals:** Pasadena Humane is the designated evacuation center for small animals affected by the Eaton Fire. We are providing animals impacted by the fire with safe shelter and medical care.
- **Large animals:** The Antelope Valley Fairgrounds at 2551 W Avenue H, Lancaster, CA 93536 is the designated evacuation center for large animals.

Emergency Boarding: We will continue to provide emergency boarding for lost pets whose families have been evacuated, ensuring animals are cared for until their families can safely reclaim them.

Pet Food Pantry: Pasadena Humane is offering free pet food and supply pickup to affected pet owners in the community daily from 10am to 5pm.

Community Cats: Our team is setting up feeding stations for community cats in the fire zone.
